

ANONYMOUS SPERM DONOR AGREEMENT

THIS AGREEMENT IS MADE THIS

DAY:

MONTH:

YEAR:

By and between:

_____ hereafter referred to as the DONOR,

_____ hereafter referred to as the RECIPIENT,

_____ hereafter referred to as the PARTNER of the RECIPIENT,

Who may also be referred to herein as the PARTIES.

Now, therefore, in consideration of the promises of each other: DONOR, RECIPIENT and PARTNER of the RECIPIENT agree as follows:

1. Each clause of the AGREEMENT is separate and divisible from the others, and, should a court refuse to enforce one or more clauses of this AGREEMENT, the others are still valid and in full force.
2. DONOR has agreed to provide his sperm to RECIPIENT for the purpose of artificial insemination in order to conceive a CHILD, or multiple CHILDREN.
3. For purposes of FDA regulations regarding tissue donation, DONOR and RECIPIENT attest they are sexually intimate partners and are thus exempt from FDA testing and labeling requirements.
4. DONOR agrees, once upon RECIPIENT's request and at RECIPIENT's expense, to be tested for sexually transmitted diseases, and to furnish the results to RECIPIENT, at any time up to six months following RECIPIENT's last attempt with DONOR.
5. DONOR will receive no compensation from RECIPIENT or PARTNER of the RECIPIENT. Neither shall RECIPIENT or PARTNER of the RECIPIENT receive any compensation from DONOR.

6. Each party acknowledges and agrees that, through the procedure of artificial insemination, the RECIPIENT is attempting to become pregnant. It is the PARTIES' intent that such inseminations shall continue until conception occurs or until no longer desired by RECIPIENT, or PARTNER of the RECIPIENT, or DONOR.
7. Each party acknowledges and agrees that DONOR provides his sperm for the purposes of said artificial insemination, and does so with the clear understanding that he shall not demand, request, or compel any guardianship, custody or visitation rights with any CHILD(REN) born from the artificial insemination procedure. Further, DONOR acknowledges that he fully understands that he would have no paternal rights whatsoever with said CHILD(REN). The DONOR will respect the confidentiality of the RECIPIENT, the PARTNER of the RECIPIENT, and their CHILD(REN). The DONOR will not intrude into the lives of the RECIPIENT, the PARTNER of the RECIPIENT and their CHILD(REN). The DONOR will not directly contact any CHILD. The DONOR will not challenge or undermine the parental responsibilities and rights of the RECIPIENT or the PARTNER of the RECIPIENT, nor will RECIPIENT or the PARTNER of the RECIPIENT undermine their own parental rights and responsibilities by seeking to involve DONOR.
8. Each party acknowledges and agrees that RECIPIENT and PARTNER of the RECIPIENT have relinquished any and all rights that they might otherwise have to hold DONOR legally, financially, or emotionally responsible for any CHILD(REN), or any medical expense that results from the artificial insemination procedure or resulting pregnancy.
9. The DONOR warrants and covenants that he is mentally and emotionally prepared to be a successful donor without getting involved in the life of the CHILD(REN).
10. By signing this AGREEMENT, the RECIPIENT and the PARTNER of the RECIPIENT have agreed not to contact the DONOR. The DONOR does not want any CHILD to believe that the DONOR did not have an interest in the welfare and happiness of, or did not have love for, the CHILD, but the PARTIES must maintain anonymity in order to legally protect DONOR, RECIPIENT, and/or PARTNER of the RECIPIENT, as well as their respective families.
11. The DONOR intends to give RECIPIENT and/or PARTNER of the RECIPIENT the future option to have siblings and half-siblings for their CHILD(REN) through similar donations. DONOR cannot and does not guarantee such availability.
12. Each party acknowledges and agrees that the sole authority to name any CHILD resulting from the artificial insemination procedure shall rest with RECIPIENT and PARTNER of the RECIPIENT. Similarly, every decision for any CHILD to undergo life events such as baptism,

christening, enrollment in a particular religion or school, medical procedures, or a decision declining to do any of the above, rests solely with RECIPIENT and PARTNER of the RECIPIENT.

13. Each party acknowledges and agrees that DONOR will not be named on the birth certificate of any CHILD(REN) born from the artificial insemination procedure. The RECIPIENT will be the named mother and THE PARTNER OF THE RECIPIENT will be the named second parent on the birth certificate. The RECIPIENT and THE PARTNER OF THE RECIPIENT will therefore be recognized as the two legal parents of each CHILD and agree to this.
14. Each party relinquishes and releases any and all rights he or she may have to bring a suit to establish paternity. RECIPIENT states that their prime motive is to have a CHILD, and if DONOR was not available or willing, RECIPIENT would find a different anonymous donor.
15. Each party covenants and agrees that, in light of the expectations of each party, as stated above, RECIPIENT and THE PARTNER OF THE RECIPIENT shall have absolute authority and power to appoint a guardian for their CHILD(REN), and that the mother, partner, and/or guardian may act with sole discretion as to all legal, financial, medical and emotional needs of said CHILD(REN) without any involvement with or demands of authority from DONOR.
16. Each party covenants and agrees that, in the event DONOR's identity is revealed or discovered, they shall not make DONOR's identity known to the CHILD(REN) at any time.
17. Each party acknowledges and agrees that the relinquishment of all rights, as stated above, is final and irrevocable. DONOR further understands that his waivers shall prohibit any action on his part for custody, guardianship, or visitation in any future situations, including the event of RECIPIENT's and THE PARTNER OF THE RECIPIENT's disability or death.
18. Each party acknowledges and understands that any future contact the DONOR may have with any CHILD(REN) that result(s) from the artificial insemination procedure in no way alters the effect of this agreement.
19. DONOR agrees not to attempt to form a parent-child relationship with RECIPIENT'S CHILD(REN). All PARTIES agree not to refer to DONOR as the CHILD(REN)'s "parent", "father" or "dad".
20. RECIPIENT and PARTNER OF THE RECIPIENT agree not to publish, nor allow to be published, before the youngest reaches the age of 18, CHILD(REN)'s genetic profile(s) on ancestry-focused sharing sites like 23andMe or Ancestry.com, as CHILD(REN)'s blood relatives not bound by this agreement may discover the existence of CHILD(REN) and/or attempt unwanted contact before the CHILD(REN) are ready.

21. This agreement shall be construed under and in accordance with the laws of the State of _____, with all acts of donation under this agreement to take place within that State.
22. Each party acknowledges and understands that there are legal questions raised by the issues involved in this AGREEMENT which may not have been settled by statute or prior court decisions. Notwithstanding the knowledge that certain of the clauses stated herein may not be enforced in a court of law, the parties choose to enter into this AGREEMENT and clarify their intent that existed at the time the artificial insemination procedure was implemented by them.
23. Each party acknowledges and agrees that she or he signed this AGREEMENT voluntarily and freely, of his or her own choice, without any duress of any kind whatsoever. It is further acknowledged that each party has been advised to secure the advice and consent of an attorney of his or her own choosing, and that each party understands the meaning and significance of each provision of this AGREEMENT.
24. Each party acknowledges and agrees that any changes made in the terms and conditions of the AGREEMENT shall be made in writing and signed by all parties.
25. This AGREEMENT contains the entire understanding of the parties. There are no promises, understandings, agreements or representations between the parties other than those expressly stated in this AGREEMENT.
